Revised Publish Date: Jan 30, 2018

Abstract:

Buildings represent the rooflines for all permanent buildings within the District of Saanich. They include commercial, industrial, institutional, single and multifamily residences, and out buildings. Buildings larger than 80 square feet were compiled using 3D stereo interpretation of 2017 aerial photography and the building outline follows the eaves. Buildings were recently updated based on a May 2017 regional flight.

Purpose: Buildings are captured to support District management and planning needs.

Status: Complete

Update Frequency: Irregular, approximately every 4 years.
