

Municipal Boundary

Custodian: The Corporation of the District of Saanich, GIS Section

Publish Date: January 1, 2003

Abstract: The municipal boundary represents the administrative area for the District of Saanich. It is characterized as having: elected local officials, powers of land taxation, and a broad mandate.

Purpose: The municipal boundary defines the bounded area comprising the District of Saanich. This allows the mayor and council to administrate taxation and other legislative powers on its territory.
