

Trail

Custodian: The Corporation of the District of Saanich, GIS Section

Publish Date: April 1, 2008

Abstract: Trails represent all maintained municipal pedestrian trails and walkways within the District of Saanich. Some of these trails include Colquitz River Linear Park, Blenkinsop Bridge Crossing, Glendale Trail, and the Interurban Rail Trail.

Purpose: Trails provide an accurate inventory (material, width, length) of maintained Saanich trails. This inventory can be accessed by the public in printed brochures or on Saanich's internet map service and provides opportunities for recreation, transportation, and exploration of the community.

Status: Complete

Update Frequency: Monthly
